

InnovFest 2010

Catalysing Connections Across Asia

NUS Enterprise is pleased to present InnovFest 2010, a not-to-be-missed festival of innovation and entrepreneurship events that aims to boost investments, technology transfer and networking opportunities within Asia's finance, business and technology communities. From 5 - 9 March 2010, the exciting line-up of events is as follows:

Technology Commercialisation Forum (TCF), 5-6 March – Asia's premier tech transfer event is back! Organised by the NUS Industry Liaison Office (ILO), TCF showcases key innovations and emerging technologies from Asia. Highlights that participants can look forward to include potential investment, licensing and partnership opportunities. www.tcf.sg

The Enterprise Connection, 7 March – Hosted by NUS Enterprise, this networking dinner is a valuable opportunity for entrepreneurs, inventors, investors and other key stakeholders in NUS Enterprise's global network to meet, connect, and share ideas.

Asian Business Angels Forum (ABAF), 8-9 March – BANSEA, NUS Enterprise and SPRING Singapore is co-organizing the inaugural Asian Business Angels Forum! By bringing together a Pan-Asian and Australasian group of early-stage venture players and participants, the forum will be a platform for industry thought leaders and stakeholders to explore investment opportunities, share strategies, and exchange ideas. www.bansea.org
